(hereinafter called "HSSBC" or the "Council") on behalf of the employers (hereinafter individually referred to as the "Delegate Agency" or the "Agency" or "Employers") and District Council 1707, Local 95, AFSCME Community and Social Agency Employees' Union (hereinafter referred to as the "Union") for the period February 1, 2012 through January 31, 2015.

WITNESSETH

WHEREAS, the Head Start Sponsoring Board Council of the City of New York, Inc. has been duly designated as the Collective Bargaining Representative of the employers in the unit described below; and

WHEREAS, the Union has been duly designated as the Collective Bargaining Representative of the employees in the unit described below; and

WHEREAS, the parties hereto have entered into collective bargaining and desire to reduce the results thereof to writing;

NOW, THEREFORE, it is mutually agreed as follows:

ARTICLE I - RECOGNITION

Section 1

The collective bargaining unit covered by this Agreement consists of all permanent full-time Teachers, Assistant Teachers, Family Service Coordinators, Social Workers, Family Assistants, Family Workers, Health Aides, Bookkeepers, Secretary-Bookkeepers, Secretaries, Record Clerks, Cooks, Custodians, Helpers, Bus Matron, Bus Driver/Custodian, Assistant Custodian, Nutrition Service Staff, Health Service Staff, Family Service coordinator and all permanent part-time employees employed by Employers represented by the HSSBC in the preceding categories who regularly work fifteen (15) hours per week or more. Further, any new non-managerial positions shall be included in the bargaining unit. Managerial positions include the following: Directors, Deputy Directors, Administrative Assistants, Education Directors and other positions with a community of interest.

All other employees of the Agency, including specifically all permanent full-time Directors, Deputy Directors, Assistant Directors, Educational Directors, Substitute Teachers, Executives, Guards and part-time employees regularly working less than fifteen (15) hours per week are excluded from the unit.

Section 2

This Collective Bargaining Agreement has been negotiated exclusively by the Head Start Sponsoring Board Council (the "Council"); and the Union recognizes the Council as the exclusive bargaining representative of the Delegate Agencies. Further, the HSSBC recognizes the Union as the sole and exclusive bargaining representative of the employees in the collective bargaining unit as defined in Section 1 of the Article.

Section 3

The terms "employees" and "employee" shall, except where otherwise specifically indicated, mean employee within this collective bargaining unit and no others.

Section 4

Throughout this Agreement, the use of pronouns such as him her, he, she, or they shall in all cases include employees of both sexes, unless otherwise noted.

ARTICLE II - UNION SECURITY

Section 1

Effective with the signing of this Agreement, all employees who are members of the Union and all employees who subsequently join the Union, shall maintain their membership in good standing during the term of this contract.

Section 2

All the employees covered by this contract who are not members of the Union shall decide within thirty (30) days of its execution and after the completion of their probationary period whether they wish to:

1. Join the Union and pay the appropriate periodic dues required as a condition of membership in the Union, or
2. Decline to join the Union but pay to the Union a service fee covering collective negotiating and contract administration costs. This service fee shall be equal to the appropriate periodic dues required of Union members. The Employer shall not permit any other option nor shall an employee be permitted any other option.

Section 3

Dues check-off and the payment of service fees shall be authorized on signed forms approved by the Union.

Section 4

On a monthly basis, each Agency shall transmit to the Union the aggregate sum of all check off dues and service fees with appropriate lists designating the amount of payment for each employee. Each Agency shall deduct from each such payment an administrative fee determined by the Commissioner of the Administration for Children's Services or successor agency by his/her designee. Such fee shall not be unreasonable.

Section 5

Any employee hired after this Agreement has been signed and during the remaining term of this contract, shall have thirty (30) calendar days from the date of completion of the probationary period in which to decide whether to join the Union and pay the appropriate periodic dues or to decline membership and pay the equivalent service fee.

ARTICLE III - MANAGEMENT RIGHTS

(a) Each Agency shall have the right to determine its programs and policies in accordance with policies established by the United States Department of Health and Human Services and the New York City Administration for Children's Services/Head Start for reimbursement to Head Start agencies, and to retrench and reorganize its activities and staff at its discretion.

(b) The Employer shall at all times, subject to the provisions of this Agreement and the law, retain the sole right to manage its business and direct the working force. The Employer may exercise the following management rights to the extent not inconsistent with the terms of this Agreement:

the right to decide the number and location of its Agencies; the right to lease or to sublease; to expand, sell, move, establish new operations, transfer and/or terminate all or part of its operations; to control and regulate the use of and access to Employer equipment and other Employer property; to establish and/or change hours of work, including work schedules, and to determine and establish shift coverage, including as to vacation scheduling and leaves; to select, hire, promote and lay off employees; to discipline, suspend or discharge employees with just cause; to establish and implement training programs as the Employer deems necessary; to evaluate job performance; to change or introduce any new or improved methods, equipment or facilities; to make decisions with regard to hiring and promotion based on the Employer's consideration of an employee's skills, abilities, performance and seniority, consistent with Article XXVII; to take whatever action the Employer deems necessary and advisable to determine, change, manage and fulfill the Employer's mission; and to make and enforce rules and regulations as the Employer may consider necessary for the operation of its business.

(c) The exercise of management rights in this Article is not subject to the grievance and arbitration provisions of this Agreement. The Employer's failure to exercise any right specified in this Article does not preclude the exercise of such right at any time subsequently.

(d) All of the functions, rights, powers and authority which the Employer has not specifically abridged, delegated or modified by this Agreement are recognized by the Union as being retained by the Employer.

ARTICLE IV - PROBATION

Section 1

The probationary period shall be 60 working days for all new employees. Only one extension of the probationary period of no longer than 30 calendar days will be permitted by written mutual agreement between a Delegate Agency, a probationary employee and the Union. All contractual benefits shall accrue during the probationary period, but may not be utilized until after the completion thereof.

All new employees shall be given an orientation session, including their union obligations. Management must inform the Union, in writing, of all new employees. Thereinafter, the Union is responsible for orienting the employee(s) of their union

obligations.

Section 2

It is understood that a Delegate Agency may terminate the services of an employee during the initial probationary period, and during any extensions of this period that may be agreed to by the parties as specified in Section 1 above, and such terminations may not be made the subject of a grievance or arbitration.

ARTICLE V - WAGES

Section 1

(a) All Longevity increases and all state certification differentials, including as set forth below, are suspended until parties are able to negotiate implementation of some or all of the longevity/differentials based on the receipt of additional funding from the Administration for Children's Services of the City of New York or other governmental funding source made available to employers for such increases. The negotiation of such implementation shall be subject to the reopener provisions of Article XXXI of the parties' Collective Bargaining Agreement. Employees employed as of June 30, 2012 who continue to be employed by the same employer shall continue to be paid the same wage (including all differentials, experience and longevity (steps), they were paid on June 30, 2012.

b. In such cases, the employee may request, prior to the start of a vacation, that the holiday which falls within this vacation be added to that vacation period as an additional day off or to take another day off within ninety (90) days of the holiday. In order to be paid for a holiday, the employee must be in full pay status the working day prior to and after the holiday.

Section 3

If a holiday falls within an employee's scheduled vacation, it shall not be charged against his accrued vacation credits.

Section 4

Certain Delegate Agencies may have a desire to observe other than the above holidays. In those cases there may be an exchange of holidays by mutual agreement of the parties, but in no instances may the total number exceed eleven (11) in any one calendar year.

ARTICLE VIII - SICK LEAVE & PERSONAL LEAVE

Section 1

Employees shall accrue sick leave with pay at the rate of one (1) working day per month. Sick leave may be accumulated to a maximum of 180 days. Section 4

Employees absent due to illness for more than three (3) consecutive days must in all cases submit a doctors' written verification of their disability and their ability to return to work.

Section 5

Three (3) sick leave days per year may be converted to personal leave at the employee's option subject to the following conditions: personal leave shall be used a day at a time and shall not be used to extend other leaves. Immediate family shall be defined for this purpose as spouse, domestic partner, grandparents, natural, foster or step-parent, child, brother or sister and father-in-law or mother-in-law and any relative residing in the same household. An employee may take a fifth (5th) day of bereavement leave, and such additional bereavement leave shall be unpaid, except that such fifth (5th) day shall be paid, at the employee's option, if any accrued but unpaid leave is available from such employee's sick or vacation time.

ARTICLE XII - HEALTH INSURANCE

Health insurance shall be provided to all employees covered by this Agreement as set forth below:

Section 1

The City of New York has terminated the health insurance provided through its Central Insurance Program. All health and supplemental benefits for employees covered by this Agreement will be provided through the District Council 1707, Local 95 Head Start Employee Welfare Fund (the "Fund").

Section 2

(a) Effective October 1, 2012, all employees covered by this Agreement will be eligible to participate in the EmblemHealth plan described in Appendix A to this Agreement (the "Health Plan"). (c) The Employer's contribution shall be paid to the Fund in the amount of eight-five percent (85%) of the monthly cost of the premiums of the Emblem Health InBalance EPO Plan, an administrative fee of \$6.50 per enrollee participant and a payment for supplemental benefits equal to \$12.33 per employee.

Section 3

Either party may request a reopener of this agreement upon forty-five (45) days' written notice to the other party prior to September 30 of each year of the contract, beginning with 2013, to negotiate changes in the current health care insurance program or to negotiate a new health care insurance program. This agreement with respect to negotiation of health care insurance program changes will not prevent either party to the Agreement from reopening the subject under the terms of Article XXXI of the parties' Collective Bargaining Agreement.

ARTICLE XIII - RETRENCHMENT, REORGANIZATION, ELIMINATION OF PROGRAM, PHASING OUT OF DELEGATE AGENCY, CHANGE OF SPONSOR

Section 1

The Employer agrees to notify the Union as soon as the Employer is aware of the probability that a Head Start Agency is to be retrenched, phased out or closed down. The employer will discuss the matter with the Union before taking any action concerning retrenchment, reorganization, phasing out of an Agency, elimination of a program, or change of sponsor. If the Agency loses its Head Start funding, it shall promptly notify the Union of its intentions regarding administrative appeals and the name and location of any interim or successor delegate agency, if and when it is known.

Every effort shall be made by the Employer to refer the displaced employees to another Head Start Agency.

ARTICLE XIV - GRIEVANCE PROCEDURE

Section 1

Definition: the term "grievance" shall mean:

- a. A dispute concerning the application or interpretation of the terms of this Collective Bargaining Agreement.
- b. A claimed wrongful disciplinary action taken against an employee.

Section 2

- a. The grievance procedure for all Head Start Agencies shall be as follows:

Step I. The employee or the Union shall present the grievance in writing to the Agency Director within thirty (30) calendar days of the event giving rise to a grievance arising out of Section 1(a) above, and within ten (10) working days of the event giving rise to a grievance arising out of Section 1(b) above. The Agency Director shall schedule a conference within five (5) working days and shall render a decision within five (5) working days after the conference. All grievances filed by the Union must be in writing and must set forth a reasonable description of the grievance sufficient to inform the Employer of the nature of the grievance. This section shall not be construed to prohibit the Union from presenting any facts or arguments at any step of the grievance procedure.

Step II. An appeal shall be presented in writing to the Chairperson of the Agency's Policy Committee/Council. The appeal must be made within five (5) working days of the receipt of the Step I decision. The Chairperson shall schedule a hearing before the Personnel Committee of the Delegate Agency Policy Committee/Council within ten (10) working days after the presentation of the grievance and shall render a decision within five (5) working days after the hearing is held.

Step III.

- a. Any grievance not resolved at Step II may, within ten (10) working days after the receipt by either party of the Step II decision, be submitted in writing to the Federal Mediation and Conciliation Services ("FMCS") for nonbinding mediation at no cost to either party. The FMCS will notify all interested parties of the request for mediation, consistent with applicable FMCS procedures. In the event that the grievance is not resolved in mediation within a reasonable time following the submission of the matter to mediation, the mediator shall notify both parties in writing to that effect.
- b. The mediator may consider any appropriate matter in his or her effort to mediate the grievance, including without limitation the terms of this Agreement, applicable law, and the past practice of the parties.
- c. Either party may, upon the appointment of a mediator by the FMCS, request and obtain the appointment of another mediator. Each party may exercise this right, with respect to a particular grievance, one (1) time.
- d. The provisions of this Section 4 shall continue in full force and effect during the period September 1, 2006 through and including August 31, 2007; provided, however, that either party may, on or after February 28, 2007, request

that the other party voluntarily agree to discontinue the provisions of this Section 4. Unless the parties mutually agree, on or after February 28, 2007, to discontinue the provisions of this Section 4, this Section 4 shall continue and automatically terminate on August 31, 2007; provided, however, that the parties may mutually agree in writing to continue the provisions of this Section 4 for the remainder of the term of this Agreement.

Step IV. A grievance not resolved in Step III may be submitted to arbitration within 30 calendar days of the receipt of the Step III decision. This 30-day period may be extended by the Union for up to an additional 14 calendar days, provided written notice requesting such an extension is received by the Head Start Sponsoring Board Council prior to the expiration of the 30-calendar day period. Such grievances may be submitted to arbitration before an arbitrator agreed upon by the parties or, if they cannot agree, to the American Arbitration Association in the City of New York under its existing Voluntary Labor Arbitration Rules, unless the grievance involves a dispute which is not subject to arbitration under the terms of this Agreement. The fee and expense of the arbitrator and the charges of the American Arbitration Association shall be borne equally by the parties. The award of the arbitrator shall be final and binding except for proceedings to enforce or vacate the award as permitted by law.

- b. The grievance procedure for ACS Head Start-Giant Step Agencies covered by this Agreement is eliminated, however, any rights which exist are not waived and may be the subject of the Grievance Procedure in (a) above.

Section 3

A grievance not submitted at any step of the Grievance Procedure or not submitted to arbitration in due time shall be deemed settled on the basis of the decision last given, if any, and further prosecution thereof shall in any event be barred. If a decision is not given in due time, the grievance may be taken to the next Step.

Section 4

The aggrieved employee shall have the right of Union representation at each step of this procedure. The grievant, Shop Steward and up to two witnesses shall be granted necessary time off with pay for the purpose of presenting the grievance.

Section 5

Time limitations for filing or appealing any step in the Grievance Procedure may only be waived by the express written consent of both parties. All waivers must be in writing. Oral consent may be given, but must be documented within two (2) working days. It is the parties' intent to strictly adhere to the time limitations set forth in this grievance procedure and supersede any past practice permitting a more relaxed approach to filing grievances and appeals through the steps of the grievance procedure.

Section 6

Any grievance of a general nature affecting a large group of employees which concerns the claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement shall be filed at the option of the Union at Step III of the Grievance Procedure without resort to any previous steps.

Section 7

An employee shall immediately receive written notice of a suspension which is imposed as a disciplinary action.

Section 8 (Terminations)

- a. Discharge of an employee shall be for just cause. Except in the instances set forth in Paragraph (b) below, prior to termination, the employee shall be served with written notice of charges. Said employee shall be afforded due process pursuant to Article XIV (Grievance Procedure) of this contract; said employee may not be terminated prior to issuance of an adverse Step II decision.
- b. In the event that the continued presence of the employee might disrupt the operation of the Agency or endanger the employee or others, s/he may be suspended immediately, with or without pay at the discretion of management, pending a hearing and determination of the charge. Written charges shall be prepared and delivered immediately to the employee. The determination shall be rendered within thirty (30) calendar days of the suspension.
- c. The Union will be notified of all employees who are absent without notice by the Agency Director for two (2) consecutive work days. Any employee who remains absent for an additional two (2) working days after notice is given to the Union will be regarded by the Agency as having voluntarily abandoned their position and such action will be treated as a voluntary resignation, not as a voluntary resignation, not as a termination. Such voluntary resignations are not subject to grievance.

Further, any employee on an approved leave of absence must report his/her availability to return to work to the Agency Director no less than two (2) weeks prior to his/her expected return date. The Union will be notified by Management of any employee who fails to report his/her availability to return to work two (2) weeks prior to their expected return date.

Any employee who does not return to work at an Agency on the day of his/her expected return will be regarded as having voluntarily abandoned his/her position and such actions will be treated as voluntary resignation, not termination. Such voluntary resignation is not subject to grievance.

- d. Any employee desiring to take a leave of absence must first obtain the written approval of management. Such employee must notify the Employer in writing of his/her availability to return to work to the Agency Director no less than two (2) weeks prior to his/her expected return date. If an employee fails to notify

the Employer in writing of his/her ability to return to work within two (2) weeks of his/her expected return date, the Employer may discharge such employee. The Union will be notified by Management of any employee who fails to report his/her availability to return to work two (2) weeks prior to their expected return date. Any employee who does not return to work on the day of his/her expected return will be regarded as having voluntarily abandoned his/her position and such actions will be treated as voluntary resignation, not termination. Such voluntary resignation may not be grieved.

ARTICLE XV - UNION ACTIVITY

Section 1

There shall be no strike, stoppage, slow-down picketing or other interference of any kind with the work of the Agency by the Union or by the employees covered by this Agreement. There shall be no lockout of the Agency by any of the employees covered by this Agreement.

Section 2

There shall be no Union activity, including distribution of Union literature by employees or by Union representatives during working time. Union material may be posted on bulletin boards which shall be placed in locations easily accessible to all employees and designated by the Director for that purpose.

Section 3

A Union representative shall have the right to enter the Employer's premises for the purpose of investigating and processing grievances. Union representatives shall notify the Employer of their intention to visit a site on a business day prior to the visit. These visits shall not interfere with the performance by employees of their duties and must occur during nonworking time. A place for discussion shall be provided, if available.

Section 4

The shop steward shall receive a copy of disciplinary (warnings, suspensions and termination) notices.

Section 5

Conferences and Conventions - The parties have agreed that the agencies shall allow, work conditions permitting, elected Union delegates and officers one week off from work every two years on an unpaid basis for the purposes of attending previously scheduled Union conferences and conventions. The Union shall notify The New York City Head Start Sponsoring Board Council and affected agencies, of the identities of the delegates and officers scheduled to attend such conferences, as soon as practicable.

ARTICLE XVI - SENIORITY

Section 1

a. Seniority is the length of an employees' continuous service in any job title within a single group of job titles, as those groups are listed below; *provided*, however, that all such service must be continuous and without a break in service (e.g., uninterrupted by the employee's voluntary resignation or discharge). All service within any job title within a single group listed below shall be added together for purposes of determining an employee's seniority in the event of a layoff or recall of employees, or as consideration of seniority otherwise may be required by the express provisions of this Agreement. For example, if an employee hired on January 1, 1990 has worked four (4) years as a Health Aide, accepts a Family Assistant position, and works an additional two (2) years as a Family Assistant, such employee will be considered to have 6 years of continuous service for purposes of layoff and recall.
